REASONS FOR YOUR COMMITMENT AND PARTICIPATION AS A BOARD MEMBER OF THE MAGALIESBERG BIOSPHERE

The Bakwena N1N4 Toll CSI Programme is directly relevant to the MB. This program focuses on Road Safety, health, Environment and Socio-Economic Development. Some of the current projects can indirectly or directly support the Biosphere projects. Bakwena can also facilitate discussion with SANRAL where relevant in regard to signage and also manages a group of volunteers in Bapong/ Majakaneng area, who might get involved in the projects in the relevant area.
