

BELINDA COOPER

CO-ORDINATOR

POSITION

I fill the role of part-time co-ordinator for the Magaliesberg Biosphere..

SKILLS AND EXPERTISE

Environmental Law, GIS and spatial planning, Man and Biosphere concepts.

QUALIFICATIONS

BA Hons Cum-laude (Geography); MA Environnemental Management (2015).

REASONS FOR YOUR COMMITMENT AND PARTICIPATION AS A BOARD MEMBER OF THE MAGALIESBERG BIOSPHERE

Having joined the Magaliesberg Biosphere Initiative Group in 2012, and completing a Masters Thesis focussed on the Magaliesberg Biosphere, I have a long association and understanding of the Man and Biosphere Programme and what it aims to achieve. Having lived in the Cradle of Humankind for over 18 years, I love this natural landscape and believe strongly in sustainable and environmental ethics – that the wealth of resources that the biosphere offers should be utilized sustainably by all, by focussing on effective conservation and improving livelihoods.
